

&

Polish Association for Computational Mechanics  
and  
the Scientific Committee of the PCM-CMM-2015 Congress

hereby grant

# **JAN SZMELTER AWARD**

to

## **Tomasz Gajewski**

from

Poznań University of Technology, Poland

**for the best research paper**

entitled

**Numerical aspects of patient  
specific material calibration of human artery:  
case study using clinical data**

**presented by a Polish young author**

during the

### **PCM-CMM-2015 CONGRESS**

a joint scientific event of

**the 3rd Polish Congress of Mechanics (PCM)  
and the 21st International Conference on Computer Methods in Mechanics (CMM)**

held from **September 8<sup>th</sup> to September 11<sup>th</sup>, 2015**  
in **Gdańsk, Poland**

**prof. Tadeusz Burczyński**  
Scientific Committee Chairman

**prof. Paweł Kłosowski**  
President of Szmelter Award Jury
